Family Tree TEMPLATES

OVERVIEW:

Creating your family tree is a great way to learn about your family's history, connect with your family, and spend quality family time together.

Download and print this easy-to-construct family tree, and you'll be learning all sorts of information about your family in no time.

WHAT'S INCLUDED:

- **Leaf Cutouts**
  Use these leaves for your family tree, or use them to trace onto other patterned paper!
- **Family Tree Template**
  Paste your leaves onto this template, and put it into a 8"x10" frame for your family to see!
